

AUTHORITY TO ENTER AND EXCAVATE TO INSPECT THE CUSTOMER SERVICE LINE

PROPERTY OWNER NAME: _____

ADDRESS: _____

I, the undersigned, grant the Clarksburg Water Board (CWB) and/or its agents authority to enter upon the property noted above for the limited purpose of visual inspection of the customer water service line serving this address. The purpose of this inspection is to identify/confirm the material of this service line.

I understand that this visual inspection will require limited excavation to locate and view the pipeline. The CWB is responsible for repair/recover of any excavated area, and shall, as far and as quickly as possible, repair and return any excavated area to its pre-excavation condition, including planting of grass seed.

The CWB will provide me with a written report of its findings, and any following instructions regarding the water service at this address.
