CHAD E. SIGMON

## **NEWS RELEASE**

### **FOR IMMEDIATE RELEASE**

**Sunday, January 18, 2026 @ 12:55 P.M. (EDT)**

### **PRECAUTIONARY BOIL WATER ADVISORY LIFTED**

#### **FOR WATER CUSTOMERS IN THE GORE AREA, HARRISON COUNTY, WEST VIRGINIA**

The Precautionary Boil Water Advisory that was issued on Friday, January 16, 2026, for water customers in the following areas: **Cara Jo Lane, Caysara Drive, Center Street, Clair Street, Clousson Road, Cortese Road, Crooked Run Road, Dawmont Drive, Dove Lane, Downriver Road, Edgewood Avenue, Frum Street, Hennings Street, Hollar Lane, Howard Run Road, Hursey Street, Mainware Street, Marietta Street, Melrose Street, Montview Drive, Nixon Avenue, Perry Street, Railcross Road, Rebbrook Street, Ripple Street, Setting Sun Lane, Shinnston Pike, Silver Hill Drive, Sturm Street, West Fork Street, and Willow Haven Lane** has been lifted.

Recent testing confirms that Clarksburg Water Board's water meets all standards for drinking and household use. You may now resume using tap water as usual; boiling or using bottled water is no longer needed. Following the recent water disruption, system flushing was conducted to maintain water quality and clarity. As a result, some customers might notice temporary discoloration in their water, which poses no health risk. To help clear any discolored water from your home's pipes, officials recommend running cold water faucets for five to ten minutes.

The Clarksburg Water Board would like to thank their customers for their patience and understanding during the time of this Advisory.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand.

For more information, customers can contact our Customer Service Department by calling (304) 623-3711 or by email at [customer.service@clarksburgwater.com](mailto:customer.service@clarksburgwater.com).
